Product focus

Simplicity hits the bulls eye.

With the WL-12 jacket, you can give yourself the possibility to get on your bike without ever doubting the reliability of your equipment. Waterproof and universal it also features D30 CE protectors – nothing has been forgotten, and definitely not your style thanks to a flattering and elegant cut.

➜ Protection/Security

- ✔ **WL-12 is CE approved as PPE.**
- ✔ Main external material : high tenacity polyester for abrasion resistancy.
- ✔ **D3O CE protectors** for shoulders and elbows, which offer full protection without restricting comfort and freedom of movement.
- ✔ The back protector pocket is compatible with D30's "Central Back" (level 1) and "Full Back" (level 2) back protector, available as an added option.
- ✔ **Reflective inserts in the back, on the chest and on the arms.**

➜ Ergonomics/Comfort

- ✔ **Waterproof insert.**
- ✔ **Removable**, thermal padded lining. Mesh panels at armpits to ease heat dissipation.
- ✔ **Furygan "AFS" system :** vents with water repellent zips on the chest can be opened in order to create an air flow in the vest. Air extractors in the back.
- ✔ Six pockets (three outside including a credit card pocket and a pocket in the back to store the lining, and three inside including a mobile phone net pocket).
- ✔ Adjustable at the waist, hips wrists and arms.
- ✔ Neoprene inserts on the collar for maximum comfort.
