

Product focus

The glove of a champion.

FIT-R ZARCO

For 2016 and to celebrate Johann Zarco becoming the Moto2 World Champion, we are offering everyone the possibility to ride with an identical replica of the gloves that were offered to him after he took the championship at the Japanese GP. The technology of the Fit-R, in Zarco's colours now available to all!

→ Protection/Security

- ✓ Fit-R is CE homologated.
- ✓ Palm 100% made with goat leather, for softness and comfort.
- ✓ **Furygan Skin Protect lining** – approved by Furygan's R&D (Motion Lab) to reinforce leather products in terms of tearing and abrasion resistance.
- ✓ **External protection shell for scaphoid, metacarpals, palm, fingers and side of the hand.**
- ✓ **Multiple reinforcements made with doubled leather layer and additional foam** on areas exposed to abrasion in a crash situation (palm, side of the hand, fingers). The positioning of these elements has been designed to protect hands from shocks but also from abrasions on tarmac.
- ✓ Ring finger and little finger are held together with a leather piece, to lower fracture risks.

→ Ergonomics/Comfort

- ✓ The goat leather and the pre-shaping offers a high level of feeling on the handlebars.
- ✓ Finger stitch seams positioned on the outside, for better comfort.
- ✓ Stretch insert on the wrist, just before the cuff, in order to allow perfect mobility.
- ✓ Between each finger, at the bottom, has been place a specific textile insert to reach a superior stage of comfort.
- ✓ Wrist and doubled cuff adjusters. The new cuff features stretch in order to have a better fit, and to be easier to put on.
- ✓ **Ergomax racing label.** The highest ergonomical standard at Furygan.
