Racing textile

TITAN EVO

The Titan is the top-of-the-range textile jacket from Furygan. The impressive look may be inspired by Furygan's racing roots, but the Titan still offers everything you would expect from a multipurpose textile jacket. Sporty and stylish yet practical, the Titan is made for those who do not like to compromise.

→ Protection/Security

→ Ergonomics/Comfort

- ✓ Titan Evo is CE homologated as PPE
- ✓ Main external material: polyamide. Robust, breathable, waterproof and dirt resistant.
- ✓ **Furygan Skin Protect lining** approved by Furygan's R&D (Motion Lab) to reinforce textile products in terms of tearing and abrasion resistance.
- ✓ **D3O CE protectors** for elbows and shoulders.
- ✓ The back protector pocket is compatible with the "Central Back" (level 1) and "Full Back" (level 2) D3O back protectors, available as added options.
- ✓ **Additional external shells on the shoulders.**
- ✓ **Reflective inserts** on the chest, arms and back.

- ✓ Internal **Polymesh lining**, waterproof, breathable, light and pleasant to wear.
- ✓ **Removable**, thermal padded lining with aluminium inserts on the chest. Mesh panels at armpits to ease heat dissipation.
- ✓ **Furygan "AFS" system** : vents with water repellent zips on the chest and in the back can be opened in order to create an air flow in the vest.
- ✓ Zippable flap that fastens underneath the main zip in order to create **the perfect barrier against wind and rain.** The staggered design of the two zips ensures a comfortable fit.
- ✓ Connecting zip sewn on an elastic belt. Additional snap claws **for linking the jacket to your trousers belt quickly and easily.**
- ✓ Five pockets (two outside and three inside including a mobile phone net pocket).
- ✓ Adjustable at the wrists, neck, waist and arms (to ensure the protectors remain fitted even without lining).
- ✓ Neoprene inserts on the collar for maximum comfort
